THE APPLICATION OF STRINGTOWN)

O R D E R

Stringtown Water District ("Stringtown") submitted an application for non-payment and re-connection fees on September 13, 1991. Stringtown also submitted an application for a service connection fee on September 16, 1991.

A preliminary review of each application indicates that there are questions of law and fact common to both, and that their consolidation will avoid the needless duplication of administrative proceedings and unnecessary costs and delay. Accordingly, the Commission finds it to be more expedient to consolidate both applications into one proceeding.

IT IS THEREFORE ORDERED that:

1. Case Nos. 91-335 and 91-336 are hereby consolidated.
2. Case No. 91-336 is hereby closed.
3. From the date of this Order, the parties shall use the following case style on all documents pertaining to this case:

THE APPLICATION OF STRINGTOWN WATER)

Done at Frankfort, Kentucky, this 25th day of November, 1991.
